# COMPACT YET EXCEPTIONALLY POWERFUL - THE CHIPPMUNK 260!

Equipped with cutting-edge features like the '**Super ClawInfeed**' feed rollers, the convenient safety bracket (= Top, Side and Lower Protection Device), and the intelligent Anti-Stress system Secure Ultra with 2 soft-touch LED multicolor push buttons for controlling the feed rollers. Plus, it comes with a handy document holder for the manual.

Staying true to the well known Vandaele traditions, it boasts a generous passage opening between the feed rollers of **260 mm x 200 mm**, with top-quality tungsten carbide knives and counter knives. These **knives** are **easily replaceable** and require **no sharpening**.

**TUNGSTEN-CARBIDE**

Furthermore, the ChiPpMunk offers simple and ergonomic operation, a robustly built machine featuring a powerful **HATZ stage V diesel engine (60 hp)**, and a high-performance centrifugal clutch for smooth starting, independent of the chipping disc. And with two operating modes – ECO for efficiency and HIGH PERFORMANCE for maximum power.

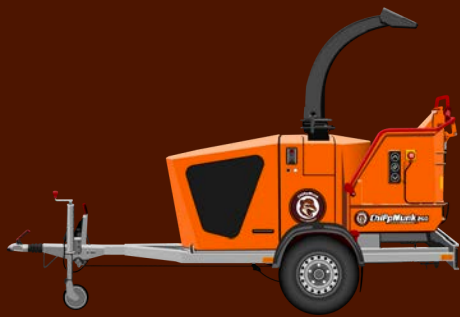

**Basis machine;**  
approximate dimensions; not binding

**ChiPpMunk 260**

Maximum diameter infeed Ø (mm)	200 mm (8")
Feed rollers	2 x horizontal
Feed opening (mm)	260 x 200 mm
